

Professional Resume Plus, LLC main office is in West Hartford Center at 968 Farmington Avenue in a second floor office building, Suite 207. You can get to the general area via instructions from mapquest, a GPS, or something similar. If you need detailed driving instructions, they are on page two of this file.

The office is a second floor office building (above the street “retail” level) about 4-5 doors (150 yards or so) west of Max's Oyster Bar, on the same (north) side of Farmington Avenue.

Walking to PRP on Farmington Avenue

If you are on the north side of Farmington Avenue coming from the Hartford direction, you will be coming as if from the intersection with Main Street. There is a Farmington Savings Bank on the corner. Walk west, (away from Hartford) a couple hundred yards. You will see Max's Oyster Bar, and then you will see Chipotle Restaurant. There is a break between the buildings at Chipotle that leads to the back parking lot. Our building is on the other side of that break. The door is labeled “968” and you will see stairs going up. It is right below the sign for “Lux Boutique”

If you are coming from the other direction (Farmington) we are a couple hundred yards towards Hartford past CVS Pharmacy. You will pass a large overhang, which formerly was a theater marquee. Then you will see Kimberly Boutique, Max Muscle, Philip David Jewelers and Sweet Nest. The door is labeled “968” and you will see stairs going up. It is right below the sign for “Lux Boutique”

If you are on the other side of Farmington Avenue, just look for these signs.

Coming in From Back Parking Lot – Brace Road

Go north on Main Street from the intersection with Farmington Avenue (see next page if you need more detail). The Bank of America will be on your right. Get in the left hand lane and take the first left, at a stoplight about 200 yards up. Then take the next left (around 200 yards) into a parking lot. You will go about 50 yards, then it bends to the right. Then it funnels into a much larger parking area. Park as close as you can to that place.

The benchmark is “Chipotles” restaurant. To the right of Chipotles is an alleyway which goes onto Farmington Avenue. When you get to Farmington Avenue, turn around to the right. You will be right in front of our building, with a 968 on the door, below the “Lux Boutique” sign.
