

Directions to Professional Resume Plus

Professional Resume Plus is in West Hartford Center at 968 Farmington Avenue in a second floor office building, Suite 207. You can get to the general area via instructions from Mapquest, a GPS, or something similar. If you need more detailed instructions, let me know and I can send you a full set of instructions on what roads to take to get from your location to here.

The door at the street level which leads to the office is about 4-5 doors (50 yards or so) west of Max's Oyster Bar, and Chipotle on the north side of Farmington Avenue. Look for the sign for "Center Framing Shop". Right underneath the door to Center Framing Shop is a door which is primarily made of glass, with a big "968" on it. You will see stairs going up. Go up those stairs. Professional Resume Plus, LLC is in room 207. There is a big sign on the door. If you need additional directions on how to get to the center from your location, just contact me and I will send them over.
