Coming from within New Haven (Not using I-91 or I-95)

Our office is in a green two-story office building at the Quinnipiac Marina. Address is 315 Front Street, New Haven, CT. This part of New Haven is sometimes referred to as “Fair Haven.”

If you are coming from within New Haven, we suggest you use your GPS to get to “315 Front Street.” If you are coming from downtown New Haven – you will see the Quinnipiac River on your right as you come up Front Street.

As you get close – you will see a chain link fence on the right – and the Quinnipiac Marina. You will see some boats in dry dock – and some buildings adjacent to the River.

As you come up, you will see our building on your right (picture below). Turn into the parking lot. If spots in the parking lot are full – use the parking lot directly across Front Street. There is a multi-story building – and usually there is a boat in the parking lot. That building and space are owned by the people who also own our building.

When you get out of the car – call me at 860.830.5146. I will come down and let you in.
